**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. We were previously with att because we had no alternative and faced regular price hikes. We have sonic and are pleased that we dont face unnecessary price hikes to phone and internet services. More competition is important to ensuring good business practices.

Please consider,
